New International
Reader's Version

A woman had a son. She saw that her baby was a fine child. So she hid him for three months.

Pharaoh's daughter went down to the Nile River to take a bath. She saw the basket in the tall grass.

When she opened it, she saw the baby. He was crying. She felt sorry for him.

And he became her son.
She named him Moses.
She said, "I pulled him out of the water."
