### Friends

To the tune of "Old MacDonald Had a Farm"

Even though we're children small,  
We can be good friends.  
When we show our love to all,  
We can be good friends.  
Yes, I will work hard, and I will be kind,  
So you will be a friend of mine.  
Even though we're children small,  
We can be good friends.

### David and the Giant

To the tune of "Pop Goes the Weasel"

lyrics written and contributed by Sharon Broome

There once was a giant who wanted to fight  
God's chosen people  
All were scared and wanted to hide,  
Then out came David.

David was a small shepherd,  
But he trusted God  
He took a sling and five little stones  
Down fell the giant.

### Big and Small

To the tune of "Deep and Wide"

lyrics written and contributed by Sharon Broome

Big and small  
Big and small  
Goliath was big and David small  
Big and small  
Big and small  
Goliath was big and David small

Trust in God  
Trust in God  
He'll take care of you so trust in God  
Trust in God  
Trust in God  
He'll take care of you so trust in God
