Giving Back to God: Stewardship Craft Ideas for Sunday School

It’s important for kids to learn and recognize that there’s a lot more to life than money. At the same time, it is also positive to teach them the benefits of saving and using money wisely.

Creating a fun “tithe savings bank” can be a positive way to help them take ownership of their budgeting. Even if they don’t have money to put in the container, it can still be a great place to store thoughts, prayer requests, or other items. Be as creative and decorative as you like in helping students create these fun pieces! (

Note: pictures shown include a less than expert level of decorative flair savvy.)

Verses or captions to consider:

I offer my heart to God

My Tithes and Talents are for the Lord

“No servant can serve two masters, for either he will hate the one and love the other, or he will be devoted to the one and despise the other. You cannot serve God and money.” –Luke 16:13

But seek first the kingdom of God and his righteousness, and all these things will be added to you. –Matthew 6:33

Craft one: Heart “bank” for prayers and pennies

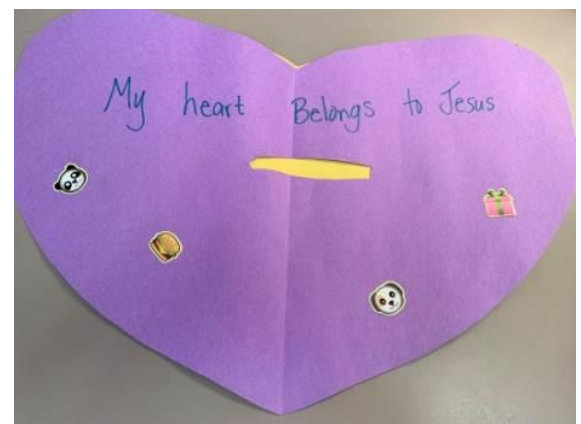

You will need:

- Paper
- Scissors
- Stickers (if desired)
- Glue
- Markers/decorative materials

Procedure:

1. Cut a heart shape out of one piece of paper.
2. Write on and/or decorate the paper to be the front of the “bank”
3. Glue the heart onto another background paper, placing the glue around the outer edges to leave room in the center.
4. Alternatively, attach an envelope or flap to the heart for easier removal.
5. Use for collecting money or prayer request slips.

Craft Two: Tithing Bank

You will need:

- Paper or wrapping paper
- Tape
- Scissors
- Markers/decorative materials
- A small container of some sort (shoebox, oatmeal can, tissue box)

Procedure:

1. Cut a slit in the top of the box or container, to have a slot for the "bank."
2. Wrap the paper around the container and secure with tape.
3. Attach additional decorations or captions as desired.
