How to use these puzzles

Print: single-sided on US letter paper, at 100% size ("actual size"). Print pages 3 to 7 for the puzzles. Keep the answer keys on pages 8 to 12 for the teacher.

Sunday school: hand out the puzzle that matches the Bible story you taught. Read the story from your Bible first, then let kids hunt for the words.

Thanksgiving week at church: print all five and let kids pick any puzzle, or work in pairs on one.

Family table: pass out pencils while dinner finishes cooking. Older kids can help younger ones, and everyone can take a turn reading a Bible story aloud.

Early finishers: keep a stack of the puzzles by the door. When a child finishes another activity, there is a Bible puzzle ready.

Checking answers: each puzzle has its own answer key, with every word circled in red.
