CHURCH NURSERY SICK POLICY

Well enough for nursery today?

Rule of thumb: 24 hours free of fever, vomiting and diarrhea, without fever-reducing medicine.

GREEN

Come on in

- Clear runny nose
- Seasonal allergies
- Teething
- Mild cough, no fever

YELLOW

Check with a leader first

- Tired or fussy, no other signs
- A cough that is getting worse
- Stomach bug or flu at home
- First Sunday back after illness

RED

Please stay home today

- Fever (100.4°F / 38°C or higher)
- Vomiting or diarrhea
- Hard, barking or nonstop cough
- Green or yellow nose drainage
- Pink eye that is draining
- Rash or oozing sores, no known cause
- Head lice, until the first treatment
- Hand, foot and mouth, until blisters heal
- Chicken pox, until the spots scab over
- Strep or scarlet fever, until 24 hrs on antibiotics

Our recommendation, based on our research.
Every church sets its own policy. Return rules for each:
